

os/helpers.h

```
graph TD; A[os/helpers.h] --> B[stm32f10x.h]; A --> C[stdlib.h];
```

The diagram illustrates a header file dependency. At the top is a grey box labeled 'os/helpers.h'. Two blue arrows point downwards from this box to two white boxes below it. The left box is labeled 'stm32f10x.h' and the right box is labeled 'stdlib.h'. This indicates that 'os/helpers.h' includes both 'stm32f10x.h' and 'stdlib.h'.
