

platform/usart.h

```
graph TD; A[platform/usart.h] --> B[stm32f10x.h]; A --> C[stdlib.h]
```

The diagram illustrates a header file dependency. At the top, a gray box contains the text 'platform/usart.h'. Two blue arrows originate from the bottom of this box, pointing downwards and outwards to two white boxes. The left box contains 'stm32f10x.h' and the right box contains 'stdlib.h'. This indicates that 'platform/usart.h' includes both 'stm32f10x.h' and 'stdlib.h'.

stm32f10x.h

stdlib.h
